'88 Is Truly Great!

Throughout the 87-88 school year, the senior class officers and steering committee joined their efforts to make our senior year a memorable one.

The senior class officers helped the steering committee and the senior class come up with ideas for fundraisers and school functions. Along with the class officers, two very important people, Ms. Persson of the Foreign Language Department and Mr. Rose, head of the Science Department acted as senior class advisors. They attended all the meetings and provided encouragement as well as help for the students to come up with ideas and carry them out.

The senior steering committee not only collected dues and other monies, but they also came up with various activities for seniors. This year, the steering committee followed last year's committee in having the Senior Banquet in October and a boat cruise on the Schamonchi in the spring. During Spirit Week, they planned the senior dress-up days and also won the Dean's Trophy during the spirit parade/bonfire night. They competed against other seniors at the Broom Ball hockey game and then against the other classes in the Field Day contest in May. They ran a Prom Promotional Day and were guests of honor at Super Senior Day. This year the steering committee also came up with a few new activities which included the Halloween Film Festival and the "video shows" of all the events that took place during the school year.

As you can see, the steering committee, class officers and class advisors put in a great deal of time and effort in order to make our senior year special and one that will be remembered for many years to come.

P.S. A big thank you to our class advisors without whose help the year wouldn't have been as much fun or as memorable.

SENIORS SPEAK OUT . . .

What do you think of "school spirit " at NBHS this year?

"I think it's been much better than previous years. It helps me to like school a little better."

Craig Santos 3/318

"School spirit this year stunk in my opinion. There should have been more people with some kind of spirit."

Valerie Brum 2/209

"I think that not too many people had much spirit this year."

Susan LeBert B312

"I think school spirit has greatly improved in me personally this year. Maybe it's beause I'm a senior and I want to look back at the happy memories . . .

Hope Amadon D122

"School spirit this year isn't bad, but there have been better years. Hey, some have it and some don't!"

Lisa Fernandes 4/212

"The school spirit this year doesn't seem to be too high."

Brian Pimental 3/304

"In some cases I think we have school spirit when it comes to various school sports and activities; and when it comes to dress up days we didn't have too many people with spirit."

Donald Chausse D132

"School spirit is evident in some, but not through the whole class. The people that I do hang around with show a lot of it though."

Nuno Medeiros 4/214

"I thought there wasn't much school spirit throughout the school. If there were other activities more people might have participated." (Ex. different dress up days)

Michelle Weaver 2/214

"School spirit this year was exciting for those who participated, and for those who didn't . . . well that's that. Yet, in my opinion, not many were interested."

Jackie Cruz 2/210

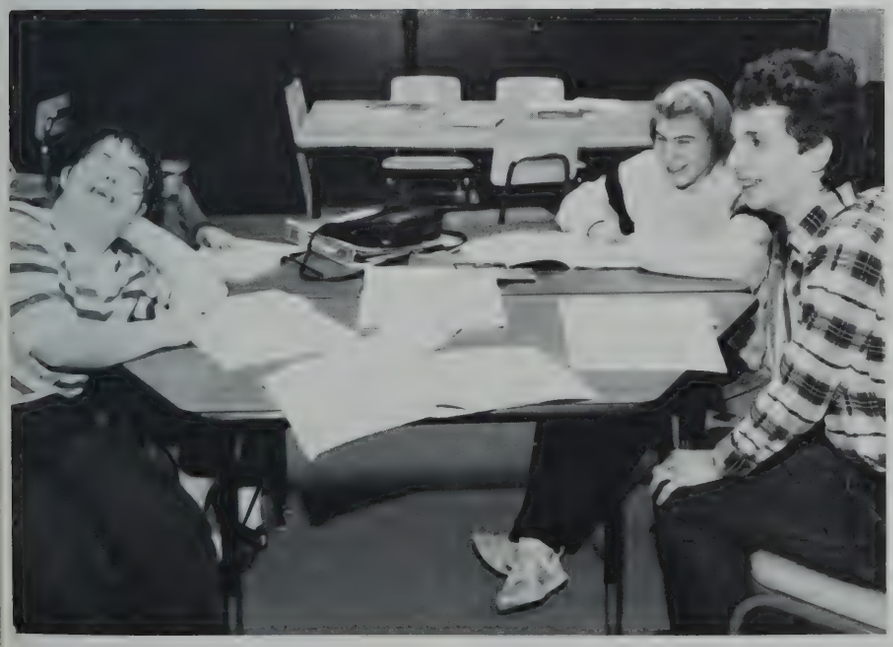
CHERYL AITKEN
NB 02740
This young lady has lived throughout the world. She truly enjoys both cooking & traveling. Everyone at NBHS will always remember her whimsical & winning personality. A touch of sunshine for us.

CATHLEEN BEAUSOLEIL
NB 02740
This is a young lady who really enjoys working with children & with ceramics. She is known to all her teachers for her hard work & real dedication. She's sure to achieve great accomplishments in her life.

JOHN MAZIARZ
NB 02740
This young man likes to spend his free time working with crafts or out snowmobiling! This is truly a devoted fan of Alf 's. John also won track-related ribbons in the Special Olympics! He always has a smile.

Saying Farewell to NBHS

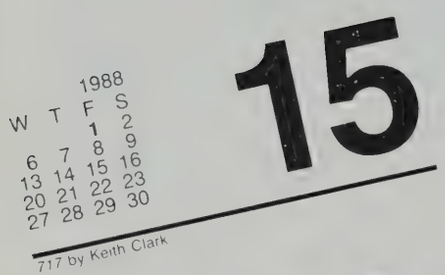
Also "graduating" with the Class of '88 are some friends who will be in the proud procession to Sargeant Field. Cheryl, Cathy, John, Anna and Anne are members of the Chart Program who are leaving NBHS behind with fond memories. We're sure they will miss good friends they made among the senior class and they will missed for that "sunshine" quality they added to the class.

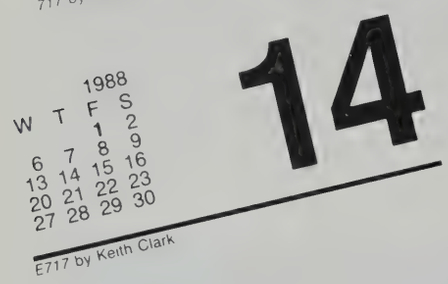


ANNA PONTES
NB 02740
When this young lady hears her favorite song, "You Light Up My Life," she's ready to dance, esp. at the annual Christmas party; and she's among the best! She also enjoys crafts & the game of BINGO.

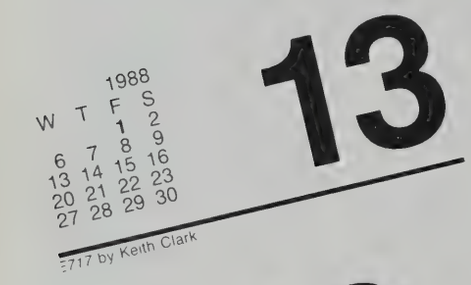
ANNE RAYMOND
NB 02740
Cooking & being with friends brings special enjoyment to this young lady. She is going to be especially missed by good friend Betty. She very often likes to say, "Now cut that out!" with a big smile.

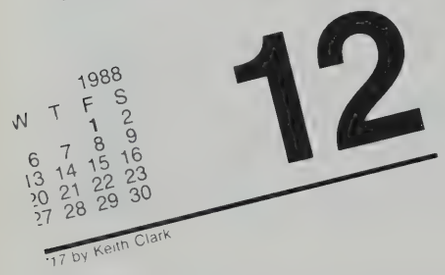
SENIOR



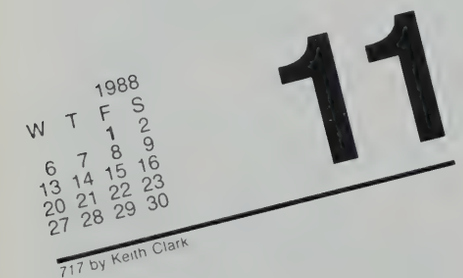


"We only have fifteen days —
Then we'll go our separate ways."





"Fourteen days — or two weeks if you'd rather . . . A short time left for memories to gather."



"Listen up!
Only thirteen more —
Before you know it
We're out the door!"

COUNTDOWN

"Only twelve days left
to count down . . .
Then time's arrived
for cap and gown!"

"Stand clear —
Eleven's here!
Soon we'll all
Scream and cheer."

"Ten little Whalers all in a row —
Feed them with info . . .
Then let them go!"

"Nine is here —
Three times three;
In a short while
We'll all be free."

"Eight has arrived
And isn't it great!
Doubled it's our graduation date."

"Seven days left of senior fun —
Watch out world . . . Here we come!"

"The days are numbered . . .
Only six more will pass —
Before you know it,
We're on our last!"

"Ten have flown by — only five remain . . .
With antics galore, we might go insane!"

"The days are now
Down to only three . . .
Then happy alumni
We'll all be!"

"Four more big ones
'Til we hit the stage —
In our red and white,
We'll be the rage . . ."

"The date is near,
Only two away —
It's hard to believe
We can finally say . . ."

"The countdown is over —
Graduation is here!
It's time to stand up . . .
and give a big . . . **YELL!!!**"

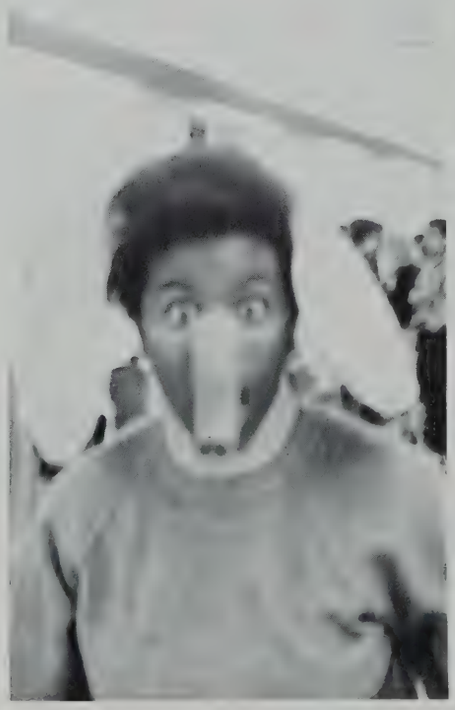
"DID YOU HEAR . . ."

"Do you mind! This is a private conversation!"

Human garbage disposal!

"Just act natural."

"Wait . . . there's only so much I'll agree to!"



"What's the big deal . . . I just left my part-time job at the zoo!"

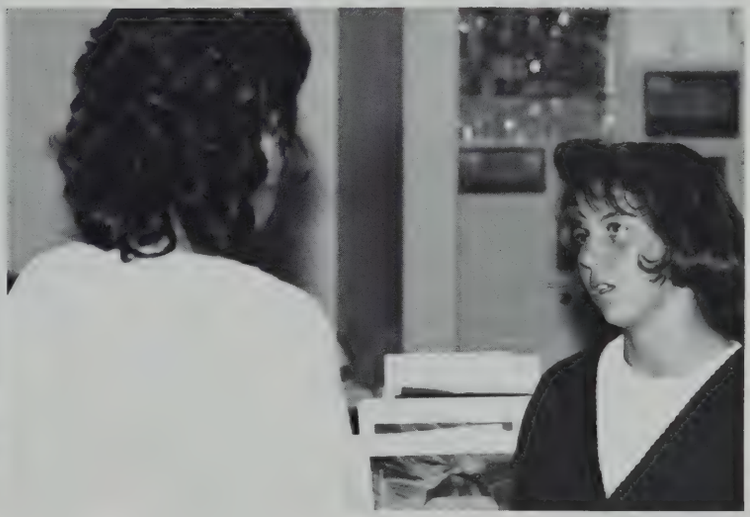
Material girl!

"Am I on Candid Camera?"

"Good, there's the shore!"

You know this is a **posed** shot!

"It wasn't funny!"



"You **can't** be serious!"

"What do you mean the test is today?"

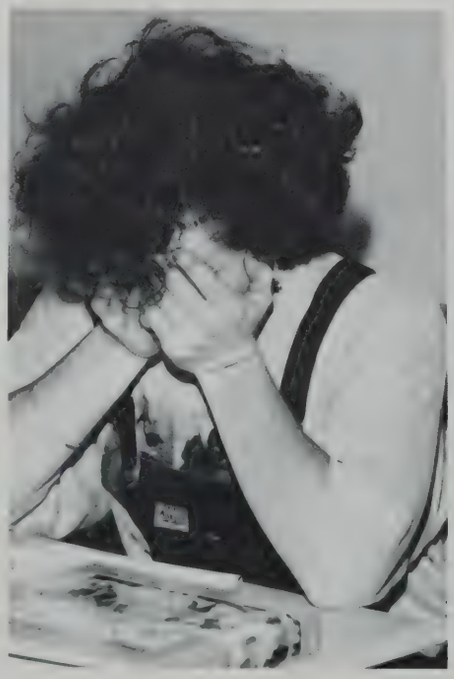
Angel or Devil?

"If he says that one more time I'll belt him!"

"Be on the lookout for a female wearing blue topsiders!"

"Imagine their asking me what role religion plays in today's society!"

"Now, you be quiet in there and she'll never know you're there!"

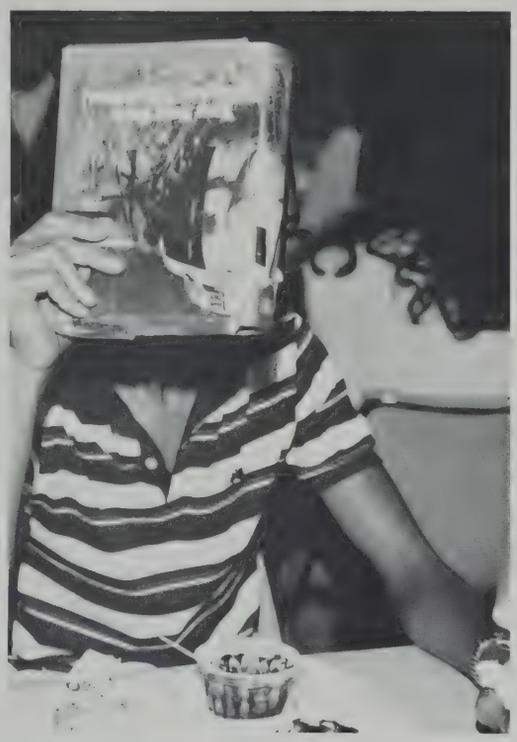


"You're so immature!"

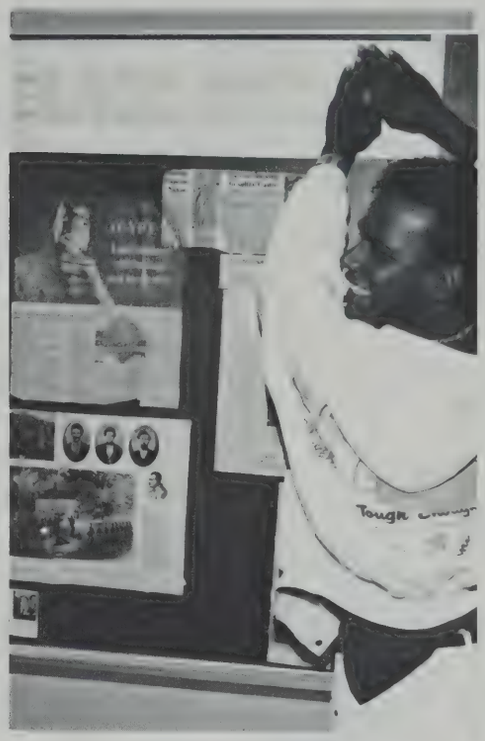
Even an editor-in-chief gets caught off-guard!

"Where did my cheat notes go?"

False advertising!

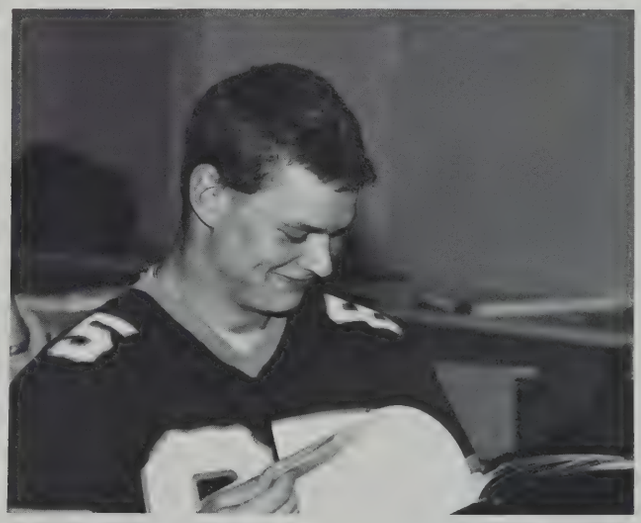


"Does she know that I'm from another house!"



Stud . . . or dud!

"Dear Miss Manners . . . I have a problem!"



"This is the best edition of Playboy so far!"

"What do you say, Emily; want to go to the prom with me?"

"Is this the place for the Chippendales' audition?"

"TUNING" into '88

The summer of '87 quickly passed, but we played and partied both day and night. As September began we took off our party hats and put on our thinking caps.

There were many events which boggled our minds — the shock from the crash of the stock market, the suspense and sympathy for little Jessica trapped in a well, the fear for the hostages in the jails of Atlanta and Louisiana, the hope in the signing of the treaty by Reagan and Gorbachev, and finally the astonishment after the disclosures of the Gary Hart/ Donna Rice affair, along with the fall of Jim and Tammy Baker.

The sports world brought other surprises when the Miami Hurricanes won the College National Championship, the Minnesota Twins won the pennant, and the Washington Redskins played the Denver Broncos in Superbowl XXII.

The box office captured our attention with comedies, dramas and musicals. The "raw" talent of Eddie Murphy made us laugh, Michael Douglas and Glenn Close aroused our emotions in "Fatal Attraction," while Patrick Swayze danced his way into our hearts in "Dirty Dancing."

Problems with drinking, pregnancies and "safe sex" among teens were important issues that were stressed. Knowledge about preventing the spread of AIDS became paramount.

The hopes, fears, joys and sorrows were shared by all. The sweetest tunes were played throughout our senior year and their melodies will linger on forever.

CLUBS AND ACTIVITIES

Leaders Take On Responsibility

Three very important student groups at NBHS are Student Advisory Committee, Steering Committees and Club Presidents. Each group plays a key role to the school in its own individualistic way. The Student Advisory Committee is the liaison between the students and the administration. The goal of SAC is to maintain verbal contact between the students and the administration so that the administration is able to keep in touch with the students' ideas and questions. One of SAC's most successful organizations is the Student Tutorial Center. This enables students who have trouble in any area to file for a student tutor. This student-to-student tutoring program has saved many students from failing.

The Steering Committee plays a major role in keeping the student informed on the various activities taking place at NBHS. The Steering Committee members relay important information from the Dean's Office to their fellow classmates. They are also responsible for collecting money for various occasions. This orderly procedure prevents vast confusion at the Dean's Office. The Steering Committees, directed by both the Dean and class advisors, help keep such a large school informed.

On the other hand, Club Presidents play an important role in the social aspect of the school. Each President is responsible for keeping the participation of the individual clubs up to par by creating enthusiasm and interest throughout the student body. They try to achieve this goal by devising an interesting and exciting activities calendar. Although the responsibilities of these three groups are seemingly unwielding, they all enjoy the special privileges they receive in exchange.

STUDENT ADVISORY COMMITTEE; Front: Duc Van Le (Back, L-R) Dave Branco, Mike Xifaras, Dave Moura, Joe de Medeiros, Owen McGonigle.

The school's chapter of S.A.D.D. continues to grow in both activities and members. This year the group again sponsored auditorium periods with outside speakers to address the problems of driving while under the influence of any form of drugs. Contracts to be signed by both students and parents were distributed during open house and again after the auditorium periods. Bumper stickers and pins were being designed for future sales, and plans were being made for further activities.

A "Jam" Session with Student Congress

One of the largest and most active clubs at New Bedford High School is that of the Student Congress. They have a well-rounded program which includes active participation in student politics, charitable contribution and fund-raising activities which results in a year full of fun and satisfaction for its members.

The Student Congress plays an important role at NBH by running all school government elections; thus, they are responsible for preparing our students to be future leaders. They also sponsor voter registration at which time seniors are given their first opportunity to play a part in our democratic U.S. government both nationally and locally.

Traditional flower sales held twice a year are the club's main source of income. This provides money for scholarships awarded to outstanding New Bedford High students.

The Student Congress is also responsible for coordinating a food drive for less fortunate families. The students not only coordinate the drive, but they also package and deliver these holiday treats with the help of other clubs' members.

Student Congress members are treated to exciting field trips to such places as Boston. A banquet is also held at the end of the year when the club honors a guest who has made outstanding contributions to the high school.

As a final activity, the Student Congress helps the Dean's Office at graduation by holding on to and then releasing hundreds of red and white balloons for the closing of the ceremony.

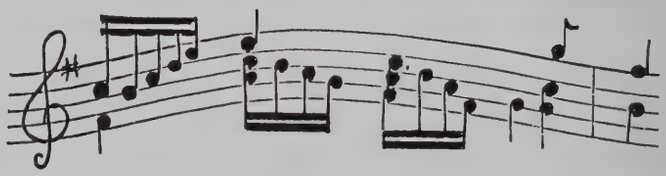
Leader of the Pack



The Honor Society is one of the most beneficial clubs at N.B.H.S., not only to the school, but also to the community. The members of this club, who are inducted twice yearly for their academic skills and leadership qualities, continue to do service throughout the year.

This club sponsors the annual blood drive, in conjunction with the Red Cross, to benefit the community, and holds the book drive to help fill the coffers of the English Department. This year they also organized and participated in a Bowl-a-thon. The money raised from this activity was used to help defray expenses for a number of activities held during Spirit Week and for supplies for other clubs at N.B.H.S. These activities and fund-raisers are under the direction of Mr. Timothy Mitchell, advisor of the Honor Society.

"Climb Every Mountain. . . "

One of the largest clubs at N.B.H.S. is the Great Outdoors Club, led by Mr. David Pepin. The main purpose of this club is to meet new people through outdoor activities. On the various trips the unity among the club members evolves. The main trip, which goes hand in hand with the Great Outdoors Club, is the mountain climbing. Another trip widely associated with this club is the ski trip. However, this year many new activities were formed.

Unlike last year's bike trip around Martha's Vineyard, the bike trip this year was 120 miles along the Maine coast. Other new trips this year were Project Adventure Day, which took place in a camp whose main purpose is Project Adventure activities and also a snowshoeing trip.

In Tune With Nature

The Natural Science Club, led by their advisor Mr. John Strittmatter, once again organized and ran the student-faculty volleyball games during Spirit Week. The money raised through this activity was used to provide food during Thanksgiving for needy families. The club also sold poinsettias, along with plant food and pine tree fresheners they made themselves, at the annual Christmas Bazaar. Also, as in past years, the club visited various museums and zoological parks.

Music is the Common Language

Those who are interested in different languages and cultures are a part of one of the three language clubs. The Spanish-American Club is involved with the door decorating contest during Spirit Week and a sales booth during the Christmas Bazaar. In addition to raising funds for a scholarship, the International Club offers students of primarily Portuguese speaking backgrounds an opportunity to get together for various trips and activities. This year they were winners in both the door decorating and float contests during Spirit Week. The Foreign Language Club is often a mixture of cultures and languages. They usually take one extraordinary field trip every year and this year are planning a trip to Portugal. Each club offers individuals an excellent chance to meet other students with varied backgrounds and to experience different cultures.

"Paper in Fire"

The three groups shown here are "always in the news" either written, spoken or visually. The Photo Club, advised by Ms. N. Johnston, in addition to taking pictures for personal use and development projects, also takes photos for the school newspaper, **Crimson Courier.** The paper, under the direction of Mrs. I. Gutierrez, covers stories and articles pertinent to the student body. The paper comes out four times yearly. This staff also produces the **Alpha** magazine yearly. This consists of creative work by students and staff members and can include photography, drawings, poetry, short stories, etc.

Finally, the staff of WIMC-TV, under the guidance of Ms. C. Marland works on putting the school on the screen in both live TV productions and videos. Many extra hours are given by the staff and their advisor. This year they hope to produce a first for NBHS, a video yearbook depicting and highlighting the memorable events of the year.

"It's All in the Game"

The chess and Bowling Clubs have been "on the move" this year. Even though chess is a game and bowling is a sport, they both require talent and concentration. The bowling league provides exercise and social activity since the teams play at Wonder Bowl each Friday afternoon. Records and scores are kept for the awarding of prizes at the annual banquet.

The Chess Club plays in league tournaments held at various schools. The players sharpen their skills by playing each other in between tournaments.

Both of these clubs are under the guidance of Mr. G. Bisari who gives them his time and attention.

On an Uplifting Note

The Future Homemakers of America (above), continues to offer services to the school and community. During the year members visit nursing homes to bring flowers or to sing Christmas carols. They also hold a sweater drive in the cold months to furnish the needy with warm clothing. Donations are made to the Needy Family Drives during Thanksgiving and Christmas to purchase turkeys and food supplies. In addition, fund-raising activities are held to support these acts of charity. This organization is certainly busy under the direction of Ms. Milligan and Mrs. L. Pinto.

Along with the FHA is another service organization undergoing a rapid growth in membership. (Below) This is the Kiwanis-sponsored Key Club under the direction of Mr. Alves. In addition to fund-raising activities to help pay state and national dues, cake sales and auctions were held to put on a Christmas party for the Chart kids. This annual affair is a pet project for Mr. Alves, along with new projects of "adopting" nursing home residents and filing petitions in hopes of further searches for POW's.

Both of these organizations deserve recognition for their uplifting acts for their fellow man.

"New Direction"

The Computer Club headed in a new direction this year by offering to write up programs for the Dean's Office, while the Usher Corps, under Mrs. L. Dlouhy, continues in the right direction by offering its services to the schools' plays and community's functions.

A newly reorganized club under the guidance of Mr. R. Dlouhy is the Engineer's Club. The club is a mixture of Principles of Technology students along with Computer Aid Drafting affiliates. The club has its hopes set on acceptance into a program called JETS (Junior Engineering Technical Society). If accepted, NBHS students, along with students across the country, will work on related engineering projects and then will submit them to JETS. Winners are then chosen for the best project submitted. The club is also trying to devise a number of various field trips with the assistance of the Navy. Although it is going to take a few years for the club to pick up steam, along with gaining notoriety, the interest and enthusiasm shown this year only foreshadow the promising years to come.

On a Business Note

Two very important student groups at NBHS are Distributive Education and Jobs for Bay State Graduates. DE members run the non-profit NBHS bookstore, where they learn both salesmanship skills and bookkeeping. This first-hand experience benefits the student by preparing them for the future business world.

JBSG is a program that provides readiness and job placement services to those who are planning full-time employment following graduation. They learn both social and civic awareness through practical application.

This year for the first time, a branch of the New Bedford Five Cents Savings Bank was installed at NBHS. The Business Department has set up a bank-oriented course under the instruction of Mrs. T. Audette. It gives the students on-the-job training while also giving both teachers and students access to private accounts. The students working at the bank gain academic credits in addition to this training for a future career in the business world. Hopefully the newly-established bank program will be a huge success for both students and staff.

They performed in the Spirit Week parade & bonfire, rallies, and in numerous games cheering for the football and basketball teams. The cheerleaders are indeed a large factor in making our years at NBHS a time to remember. Their cheers will echo in our memories and their songs, especially "On New Bedford," will always carry a special meaning for all of us.

We've Got the Beat . . . again!

The NBHS Whaler Marching Band marched to the beat of a different drummer this year, with new band director, Mr. F. Noonan. Despite the tough odds, the Whalers still came out on top. In what was supposed to be a non-competitive year became a 2nd place in Div. III in the NESBA finals at BU.

It takes many ingredients to produce an award-winning season. A good director is an important part, and Mr. Noonan's patience and attitude paid off. With approximately 20 hrs. of practice a week the band and staff gets motivated to win, and they do win! The small staff brought in from out-of-town complements the unit and gives the special touch needed for medals.

Of course, the band wouldn't be complete without the colorguard and danceline. They have added the sparkle and general effect which makes the band stand out. In the winter when the marching band converts to a concert band, this colorguard unit enters indoor competitions, where they once again display the talents which make them winners all year long!

"With a Little Help from My Friends"

Organization is essential for running a large school like New Bedford High smoothly and efficiently. However, this can only be accompished with the help of responsible and cooperate people. These ambitious students are known as office aides. Each house office, the Main Office, all guidance offices and the Dean's Office rely on these individuals to perform various jobs required for an orderly school. Such tasks include delivering messages throughout the building, filing, record keeping, etc. Although these are important duties which must be carried out, those students who give up their studies to provide these services are often not properly acknowledged. In the future, keep in mind their hard work and dedication and show them how thankful we all are for keeping New Bedford High School on an even keel.

Like the office aides, other aides throughout the school give up their study halls to help other offices throughout NBHS. They run errands, file, deliver messages and locate students. These various offices are grateful for the time and effort the student aides have given them, for without their help numerous tasks would not be accomplished and more time would have to be spent after school to finish them.

Marching to the Beat of Their Own Drummer

Traditionally, members of the ROTC are well-disciplined young men and women who train to prepare themselves for the future. During the year they are exposed to a variety of activities which help them develop as good citizens and future leaders.

This year, as in the past, under the direction of Col. J. Napoli and Sgt. R. Morrison the "troops" once again brought home the gold from their many competitions. Their excellence in this area reflects their training and character.

Socially,, the members of the JROTC program held their annual "turkey shoot" fund-raiser and the newly-established pancake breakfast. Both of these activities take place during Spirit Week.

While JROTC may not be for everyone, it certainly does an excellent job for its members.

Choral Groups "Serve Up" a Musical Treat!

With their various groups from the Selected SSA to the Show Choirs, the chorus program outfitted with new uniforms and uplifting spirits performed harmoniously throughout the year with zeal and pizzazz. They were the introductory act on the Channel Six Christmas Special, in addition to many other fine performances throughout the year. Under the excellent supervision of choral directress Mrs. Cassandra Morgan, the club performed and entertained alike.

Becoming an annual event is the chorus' Madrigal Dinner. During this event, the Green House dining commons transformed into a royal court of the Elizabethan period. The event, catered by the NBHS cafeteria staff (with the help of the Huttleston House) was highly acclaimed and well-received. The guests were not only entertained by the "lords and ladies" of the choral group in their Elizabethan costumes and accents, but also were served a meal that was literally "fit for a king."

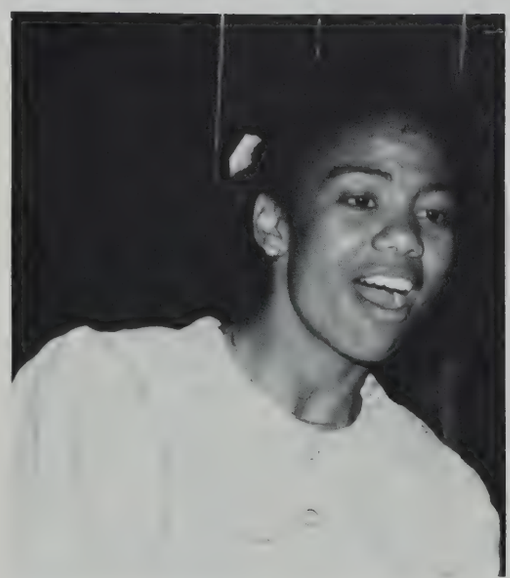
CONCERT CHORALE

"We've Only Just Begun"

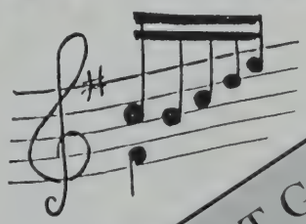


Friday, May 22, 1987, represented the night that many of us had looked forward to — becoming seniors! It took place at White's of Westport and started off with a meal of fried chicken and baked ham.

After the meal came the moment we all had waited for, the passing of the "senior whale" from former class president, Jennifer Constantine to our own Duc Van Le. To continue the entertainment, Duc treated us to some of his magic tricks. Shawn Sameiro, Deolinda Varela, Filomena Pereira, Patricia Gomes and Ivonne Nogueira did an original version of the Andrew Sisters' "Rum and Coca-Cola"; and finally Owen McGonigle, Rodney Reyes, Jay Reul, Sean Sullivan, Ken DePault, Glenn Texeira and Neil Mello all strutted their stuff in an unusual fashion show.

To finish the night, everyone danced the night away to the music played by WJJN.

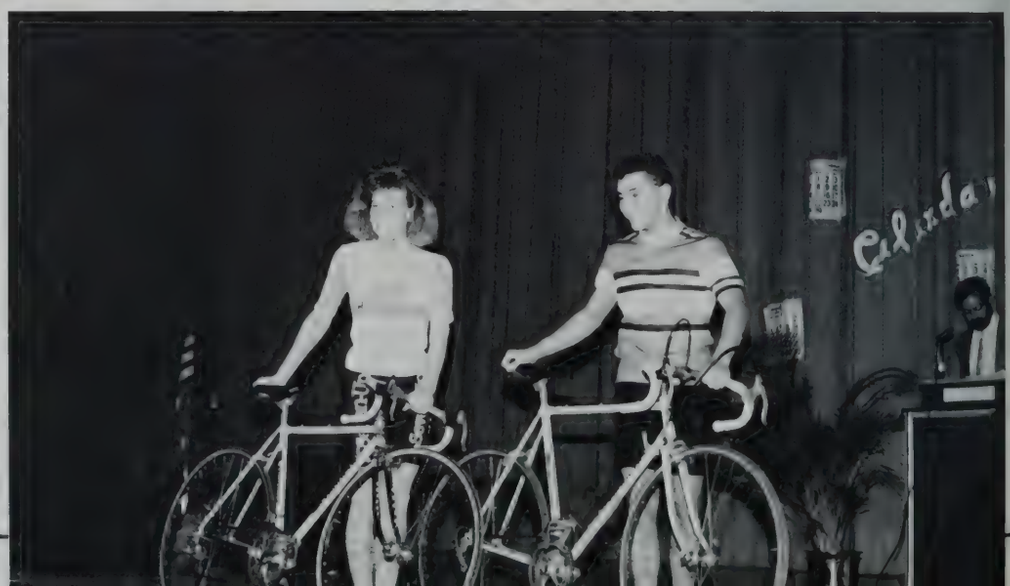
Even though the junior year has come to an end, as seniors . . . we've only just begun!



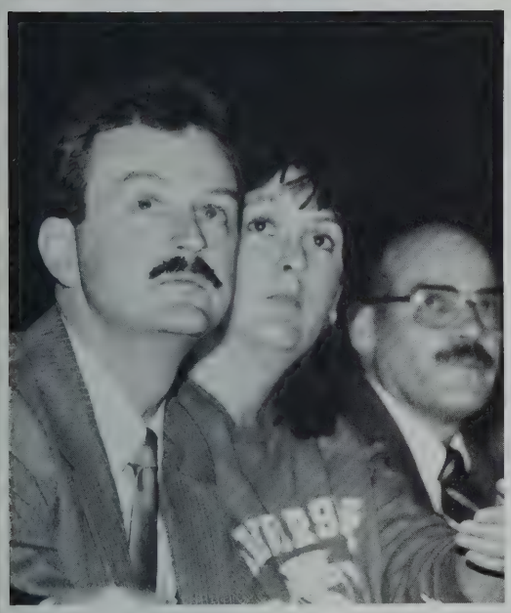
THE BEAT GOES ON

On November 15 in the Bronspeigel Auditorium, the Crimson Log staff kicked off Spirit Week by sponsoring a new event — the Calendar Couples Contest. The idea was Florida-based, but the format was strictly a NBHS original; and the creativity was definitely from the NBHS couples.

THE BEAT GOES ON (AFTER 2)



The couples competed in three phases: Casual/sportswear, month/holiday representation, and semi-formal. During each phase, twelve judges had the difficult task of scoring each couple on a variety of categories. The twelve winning couples appeared on a calendar sold as a fund-raiser by the yearbook staff.



CALENDAR COUPLES

The couples seemed to feel that answering the questions during phase III was the most difficult task; while the judges felt picking twelve couples was the most difficult task; however, Mr. D. Lopes, our MC, had no difficulty as he kept the show moving with a definite controlled and smooth style which made it all a success!

DURING THE 1986-87
THEATRICAL SEASON

PRESENTED BY KITTY CARLISLE HART IN
NEW HAVEN, CONN. ON SAT., NOV. 7, 1987

Backstage Notes

Under the guidance of co-directors George T. Charbonneau and Armand R. Marchand, the Drama Club has presented numerous acclaimed productions. Recently, the club was the proud recipient of the Moss Hart Award (presented by Kitty Carlisle) for being the best high-school drama club in New England.

Being bestowed by such an honor is not a simple task. Hard work is the key for both the actors and backstage crews. A lot of time and effort is put in by the people on the stage, set crew, costumes, make-up, lighting, props, student-directors, hair designers and choreographers. Intense rehearsals elevate the Drama Club to its position of professional caliber.

Through the experience of producing plays and spending a weekend on a year-end trip to New York, the NBHS Drama Club gives students a glimpse of life in the theatre.

"Barefoot in the Park"

On November 19,1987 the curtain rose for the opening night of NBHS Drama Club's production of Neil Simon's hit comedy **Barefoot in the Park.** The leading roles were Corie Bratter (Deirdre Finnerty) and Paul Bratter (Rob Meunier).

Corie and Paul are an attractive newlywed couple striving to cope with the realities of a New York City lifestyle. Corie, "a woman who gets a kick out of living" strongly contrasts Paul who is "too proper and dignified" and "goes to sleep with a tie."

The comedy revolves around the run-down 5th floor apartment (equipped with a broken skylight) that the newlyweds live in. Problems and laughter also arise when Corie tries to set up her mother, Mrs. Banks (Kelly Farrell) with the Hungarian eccentric, Victor Velasco (Joe Stoddard) who lives on the roof. The scene climaxes in a furious (also hilarious) fight between Corie and Paul. At the end of the play, everything is resolved as the couple reconcilliates and Mrs. Banks and Mr. Velasco settle their differences.

A large contribution to the success of the play were the strong supporting characters. Jared Rivet as the delivery man and Peter Guy as the telephone man provided for many hysterical lines and sight gags.

Also, there were many contributions made behind-the-scenes. Costumes were provided by Anne M. Couto; Hairdesign by Clement Blais; Make-up designs by David Boyce; Vocal supervision by Susan Lawrence and sound by Sound Dynamics. The NBHS Drama Club, under the excellent direction of co-directors George T. Charbonneau and Armand R. Marchand, has once again proven to be truly professional and carried on a long tradition of excellence.

"It's Not Over 'Til It's Over"

The Whaler Football team was predicted to be a top contender for the Super Bowl in 1987. With its many returning starters and excellent coaching staff, a spot was pretty much guaranteed. However, from the start of camp, the Whalers were faced with adversity. Four quarterbacks, the offensive and defensive lines, the running backs, and the defensive backs were all plagues by injuries. With these injuries the Whalers were forced to put in an offense, the Double-Wing-T, which hasn't been used in the last few decades. This "new" offense, being run without a quarterback, together with the commitment and determination of both the players and coaching staff helped the Whaler football team put together a winning season, in spite of missing out on the Super Bowl.

"All at Once"

Captains Cathy Silva, Coach Parker, Donna Henriques

Only being the second year as a varsity sport and coming from a 4-12-2 season, the Girls Soccer Team jumped into success. It was hard work, determination, and spirit which led the girls into the State Tournament.

The victory at the opening game against Tabor brought the girls through the season with confidence and pride. Each new game brought greater spirit and victories. The Whaler girls ended in second place in their SMC Div. 1 league.

The offense part of the field was led by Cathy Silva (23 goals) and Sandra Bolarinho (7 goals). The defense was led by seniors Eva Ramos, Gail Rousseau, Michele Lucas, Olivia Almeida and goalie Donna Henriques (.9 goals against ave.) Other seniors whose contributions were important to the team were Dorothy d'Almeida, Berta Malhinha, and score keeper Lucy Machado.

The season ended in a loss against Walpole in the first round of the State Tournament; however, the loss did not dampen the seasonal outlook and the pride the girls felt.

"The Powers To Be"

Captains Owen McGonigle, Mike Carvalho, Coach Matos, Mike Correia.

The soccer team began its season with high hopes and many expectations. However, the year was stifled with various injuries to key players. With this and other complications, the Whalers' dream of a State Championship was unreachable.

The tournament did not say much for the boys' season. They ended with a record of 14-2-3 and the SMC Division 1 co-championship. The Whalers dominated most of their opponents, but at times were unable to score.

Seniors players who added to the success of the Whalers were Peter Tavares, Nuno Cunha and Tino Fidalgo. Although the team was made up of seniors, juniors, and sophomores, the loss of senior stars Owen McGonigle, Domingos Leal, Mike Correia, Nuno Nunes and star goalie Mike Carvalho will be felt. The future years look like rebuilding ones.

"Keeping the Faith"

Coach Vaz, Captain Kathy Kelly

The Girls' Field Hockey Team keeps improving as the years go on. This year the team's record grew in wins through a combination of help from new coach, Mr. Vaz and the girls' extra effort and determination.

The climax of the season was the tie against Stang, which created high hopes for the season. All the senior girls contributed to the team. Kathy Kelly and Janine Saulnier led the offense and Kyra Chomak, Tiffani Young, and Tammie Richardson led the defense. The team's spirit and enthusiasm increased with help from Heidi Abendroth, Kathy Gonsalves, and Melissa Souza.

Looking at the talent and experience of the underclassmen the team's future looks promising.

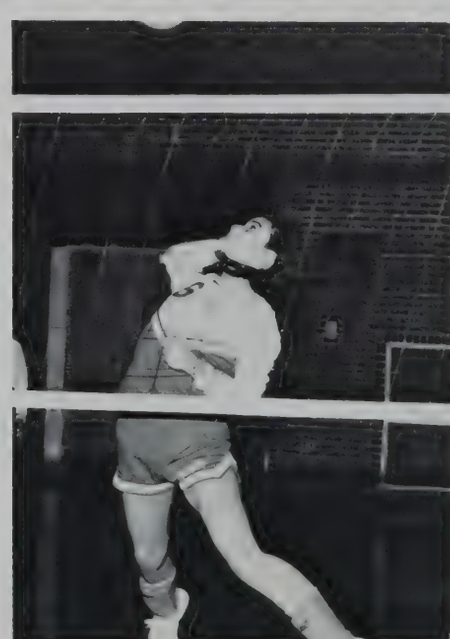
"On the Road Again"

(L-R) Co-Capt. Matt Poyant, Coach DeRossi, Co-Capt. Dan Desmarais.

Although only in their second year of existence, the 1987 Boys' Volleyball Team made great strides. They finished with a 8-6 dual meet season with help from senior co-captains Danny Desmarais and Matt Poyant, seniors Victor Ramos, Neil Mello, Duc Van Le, and Ken DePault; juniors Quinn Feno, Steve Mitchell and Derek Adair. Because of the unavailability of competition in the local area, the boys spent a great deal of time on the road.

They not only had a rough time with all the traveling, but also had an up and down season. The highlight was three wins in a row, and the climax of the season was in the final tournament which featured teams from three states. The boys finished a respectable fifth out of twelve teams, beating two top prep schools, Mt. Herman and Chote. A strong returning team next year can only lead to greater achievements in the future.

GIRLS VOLLEYBALL



Back row (L-R) Coach Karaleakas, K. Raffa, D. Alexandre, T. Silveira, D. Poyant, C. Costa, E. Medeiros, T. Conceicao, S. Gomes, W. Dubois, S. Barbosa.

"Didn't We Almost Have It All"

The 1987 Girls Volleyball Team featured a combination of upperclassmen and underclassmen held together by the leadership of captains Wendy Dubois and Shaynne Gomes. As a result of the strong team unity, the girls finished the season 11-7 and qualified for the State Tournament for the second year in a row.

During the season, the girls had a stretch of eight consecutive winning games; the highlight was defeating a previously undefeated Somerset team. The turning point of the season was beating arch rival Bishop Stang in two straight games at Bishop Stang. The girls made it to the South Sectional Semi-finals in the State Tournament, losing to Somerset in the fifth game. The team was led defensively by setter Tammy Silveira and spikers Donna Poyant, Tracy Conceicao, and Wendy Dubois; Cheryl Costa, Shaynne Gomes, and Sandy Barbosa carried the offense. The girls have a bright future with a strong returning team next year.

The Girls' Cross Country Team overcame a season full of injuries to key performers Hillaria Rocha, Rene Riley, and Gina DeRossi. Still, the girls finished the dual meet season undefeated with a record of 6-0 and have lost only one dual meet in the past three years. They captured the SMC League Meet crown and placed third in the Div. I State Meet which qualified them for the State Finals. The team was led by senior tri-captains April Beaulieu, Hillaria Rocha, and Sue Watkins, with great contributions coming from senior Beth Ras, junior Rene Riley, and sophomore Denisha Delgado.

"Nothin's Gonna Break My Stride"

The boys had to overcome their own injuries to seniors Mike Xifaras, Pete Taveira, and Angel Martin. They finished the dual meet season at 5-1, their only loss to Bishop Feehan. They captured the Brown Invitational Varsity II race which featured teams from five states, and finished second in the SMC League Meet, losing once again to State Champion Bishop Feehan. In the Div. I State Meet, the boys finished a respectable sixth in a field of more than thirty teams. The team was led by seniors Darryn Sneller (capt.), Mark Cheney, Angel Martin, Mike Xifaras, Rafael Robles, Pete Taveira, and Pat Foster with outstanding support from the duo of Joe Correia and Sean Bourgeios.

"Victory"

Capt. Jill Howard, Coach Medeiros, Capt. Brooke Burgess

The NBH Girls' Swim Team had another great season as was expected. They were headed this year by coach James Medieros, the boys' swim team coach. The Whalers started off the season by winning the League Relay Carnival and then went on to win their next two meets. They suffered their only loss to Duxbury, the Southern Conference Champs. Bouncing back from their defeat, the "Big Red Wave" engulfed the remaining teams in the league to finish the season with an 11-1 record, beating their biggest rival, Seekonk. Four NBHS swimmers qualified for sectionals this year. They were, seniors Jill Howard, Heather Deree, Brooke Burgess and sophomore Jen Jupin. With the winning combination of a new coach, a determined team of swimmers and an excellent diving team (which scored a higher total of points in each dual meet than any other team), the Whalers finished second in their conference, fulfilling all of their expectations of an outstanding season.

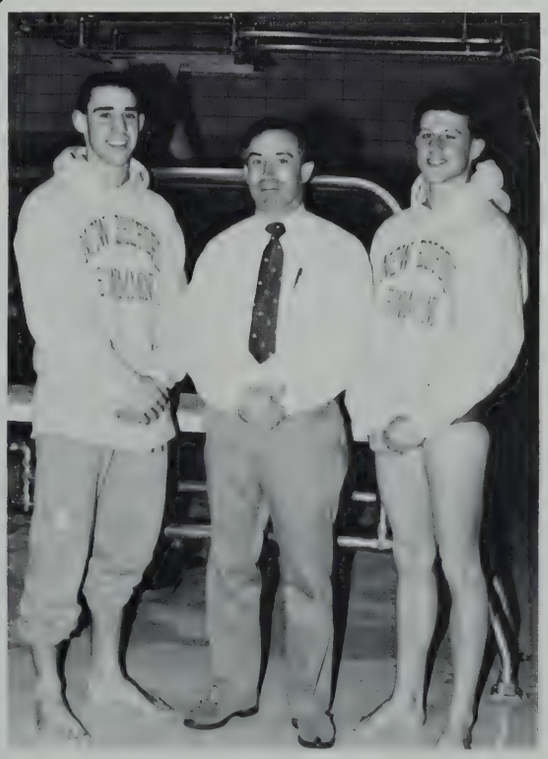
"We Will Rock You"



(L-R) Co-capt. Scott Medeiros, Coach Medeiros, Co-capt. Sean Sullivan

The NBHS Boys' Team ended a successful season with a strong showing at both the sectional and state meets. Coach Medeiros attributed the team's success to the fine leadership of co-captains, Sean Sullivan (freestyle) and Scott Medeiros (freestyle), both of whom participated in post-season championship meets.

The season started off with a victory in the So. Conference Relay Carnival. In the first meet against Natick, George Medeiros (diving) broke both the school record and the twelve year old conference record! He went on to complete a third year undefeated career. Other season highlights were the record-breaking performance from Josh Hoaglund in the breast stroke and the undefeated season by multi-record holder Scott Medeiros.

During the meet against archrival Seekonk, the tension mounted. The last event decided the winner of the meet. Unfortunately, the Whaler fell short. They ended the season with a 9-1 record.

Due to the loss of many seniors, the next few years may be rebuilding ones and may not be as successful as this one.

The New Bedford High Gymnastics team complied another outstanding season by displaying their talents in each meet, but most memorably in the Attleboro meet. The Whalers rallied to win after Attleboro had edged ahead in the third event.

The Whalers biggest rival, Somerset, did not pose a threat this year. The NBHS gymnasts defeated them in both the home and away competitions by at least eleven points. Also, against Somerset, the Whalers' four top beam people set new records. Among them were co-captains, and only seniors, Lisa Nowell and Sandy Langlois. The senior co-captains provided the team with strength and encouragement that helped to carry the team with strength and encouragement.

The Whalers topped off the season by dominating the league meet, scoring their highest team total of 122.5 pts. They also set numerous records in the process of qualifying for the sectionals. Although the NBHS gymnastics program is fairly new, they have earned the respect of the entire state!

BOYS' BASKETBALL

"Something So Strong"

In spite of losing four key players, NBHS was still in contention for tournament play. Tri-captain Jason Baptiste's consistency as floor general, along with the strong play underneath from Greg Rodericks, helped the Whalers to hold their own, even against the best. The explosive shooting from Billy Houtman, the agility of David Rose, and the crashing off the boards from Lamont Ashley and Jonathan Gomes led the Whalers to many victories. Together with the support of a spirited bench led by the other two tri-captains, Tom Tarpey and Owen McGonigle, the Whalers produced another successful season.

The highlight of the season was the NB-Durfee game in Fall River. The Whalers seemed in reach of victory, but because of the talent and strength of Durfee, they were unable to pull it out. However, they left the gym with their pride intact. The Whalers ended with an outstanding season evidenced through the heart and soul displayed by each team member.

"Looks Like We Made It"

Capt. Kathy Kelly, Coach Bonneau.

This year's girl's basketball team did not have the height advantage of many of their opponents. However, they made up in speed what they lacked in height. This was especially evident in their game against previously unbeaten Bishop Feehan. The girls played outstandingly as a team to combine offense and defense in a winning effort.

The scoring ability of seniors Gail Rosseau and captain Kathy Kelly paved the way, while the defense was aided with rebounding from Bernie Hernandez and strong defensive efforts from Shaynne Gomes and Tracey Conceicao. Another senior coming off the bench to help her teammates was Josette Ortega.

As this season's team moves on, they leave behind some very promising prospects in underclassmen the likes of Cathy Silva, Kerri Rodrigues, Tanya Moore and several others.

"Come A Long Way"

(L-R) Captains D. Moura, J. Indio, T. Rapoza, Coach Tougas

The NBHS Ice Hockey Team has proven to the rest of the state that there is some pretty intense hockey being played in Southeastern Massachusetts! The Whalers were never really considered a powerhouse in Division II, but this year was their turn in the spotlight. With the senior forward line of Jack Indio, Billy Popovic, and Todd Rapoza leading the attack, the Whalers added a new touch to "putting the puck in the net." The second and third lines were held together by seniors Mike Rodericks, Bobby Anderly and Chad Barriteau. Bryan Safioleas and Dave Moura controlled the defensive zone while still posing an offensive threat. This season the Whalers received outstanding net minding by senior Reggie Tilley.

Three milestones in Whaler hockey were established this year with Jack Indio shattering the career points record previously held by Dean Snell, with the breaking of the "Cape dominance" by defeating DY and tying Barnstable and with the qualification into the state tournament for the first time in over a decade!

The road to success was not easy; they were constantly faced with seemingly unsurmountable odds. However, when it came down to "crunch time', they pulled together and proved that they were the team to beat.

The girls' track team started the season off with an early loss to arch-rival Durfee, but rebounded and won their last six meets to finish as co-champions with Durfee. As a result, they established themselves as one of the premiere teams in So. Mass. They finished 3rd in the Voc-Tech Invitational and placed a respectable sixth in the Class A Relays.

They were led by the outstanding leadership of co-captains Tracey Harrison (shotput) and Sue Watkins (1,000;relay) with great support from April Beaulieu (2 mile), Hillary Rocha (2 mile), Kim Raspberry (50; 300), Danielle Brook (600; relay) and Beth Ras (300).

"On the Run"

The boys' track team finished an outstanding season capturing the SMC dual meet championship by completing the season with a perfect 8-0 record. They established themselves as a top team in So. Mass. and captured the Voc-Tech Invitational Championship. They finished fifth in the Class A Relays.

They were led by great performances of tri-captains Chris LeBlanc (shotput), Wilfredo Rosario (600; relay) and Tom Carreau (high jump; hurtles). The seniors contributed greatly to the success of the seasons and will be sorely missed next year.

There are few who touch so many so deeply. Shall we speak of his humor and stories, his compassion and understanding, his ability to get along with all types of people. Shall we remember the way his laughter brightened our days; his common sense raised our morale; his concern for others gave inspiration. His enthusiasm for life was boundless and infectious, whether he was in the classroom, on the golf course or just sitting around with his friends. To those who knew him there is no need to speak of these things. He will live always in our memories.

"Or ever the silver cord be loosed or the golden bowl be broken, or the pitcher be broken at the fountain, or the wheel broken at the cistern. Then shall the dust return to the earth as it was; and the spirit shall return unto God who gave it."

CATHERINE ROSE

Kathy worked for the New Bedford School Department for twenty-six years. She was always a professional, dedicated, cheerful secretary who was loved by both staff and students. She took a keen interest in the welfare and happiness of her New Bedford High "family." Kathy is sorely missed by all and we all feel the loss of her care and concern. She truly lived the concept expressed by the following: Let me leave the world a little better because I passed through.

THE WINDS OF FATE

One ship drives east and another drives west
With the selfsame winds that blow.
'Tis the set of the sails
And not the gales
Which tells us the way to go.

Like the winds of the sea are the ways of fate,
As we voyage along through life:
'Tis the set of a soul
That decides its goal,
And not the calm or the strife.

"Never Say Good-bye"

After many strenuous hours of work, the '88 Crimson Log is now complete. First, we express our sincere thanks to Ms. Beverly Bizzarro, our advisor, for without her undying support and dedication, the completion of the yearbook wouldn't have been accomplished.

Thanks also goes to Mare Studios, especially Mr. Nelson Mare and to Ms. Rosemary Hirshlag for all of their efforts.

As co-editors-in-chief we hope that you enjoy this book and will recall the sweet melodies of your high school years. Someday we shall all meet again so . . .

Never Say Good-bye!
